Hi All,

Thank you, BEAD for copying RD on the draft nPCT memo for aldicarb that you sent to OGC.

We would like to gather the BEAD and HED for a brief meeting to make sure that we (RD) provide HED with the appropriate nPCT numbers to use in the dietary assessment. Additionally, we need to determine what we may need from the teams before we engage with the company on this action.

I wasn't completely sure who from BEAD is the most appropriate to invite, so please let me know if I should include anyone else or if I have gotten it wrong.

Thank you for all of the work each of you have done so far to help us with this pending action!
Debra
